Key wins

- ACFS is excited to share that Ward Counsellor Tsoyang Mohloeng and her Vice-Counsellor recently visited our ECD Hub at Phakamani ECD Centre in Ramaphosa Informal Settlement. They were impressed by the work of ACFS and the DO MORE FOUNDATION in supporting local children and ECD centres. ACFS Operations Manager, Mr. Sabelo Malevu, highlighted the various programmes and initiatives, including the new toy library and food garden, which will benefit 10 ECD centres and their practitioners.
- The food garden, established at Phakamani ECD Centre, serves as a training hub for ECD practitioners and provides nutrition support to the centres. The recently harvested vegetables are being used to feed children, supplementing their nutrition. Additionally, we conducted two Young Child Forums in Boksburg, focusing on providing a safe environment and proper care for sick children. These forums sparked engaging discussions among ECD centre practitioners, highlighting the importance of creating a safe and healthy environment for children to thrive.
