UPHONGOLO COMMUNITY DEVELOPMENT PROJECT

RESPONSIVE BASKET OF PROGRAMMES AND SERVICES

- Based on the South African National Integrated Early Childhood Development Policy
- Drawing on learnings from the Leave No Young Child Behind initiative founded in 2017 by the DO MORE FOUNDATION in Nkomazi, Mpumalanga
- These activities are facilitated by our implementing partner, Lulamaphiko

MATERNAL AND CHILD HEALTH

Pongola FM weekly broadcasts - Love, Play, Talk covering key messages from National Government departments and stakeholders

FOOD SECURITY AND NUTRITION

Providing DoMore porridge to young children attending local ECD programmes (funded by The Muir Foundation)

Establish food gardens at ECD centres (funded by GFCT)

Food parcels to malnourished families in partnership with FNB ECD and RCL FOODS

CHILD SAFETY AND PROTECTION

Working with the Department of Social Development to establish a Child Care and Protection Forum for stakeholder collaboration

EARLY LEARNING THROUGH PLAY

Mapping and profiling of ECD programmes

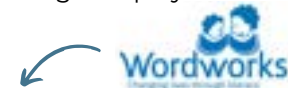

Establishing young child forums to promote quality early learning

Providing training and resources from the Repurpose for Purpose programme

Providing resources for learning and play

Building capacity of ECD programme staff through short courses and programmes including Every Word Counts practitioner training (funded by GFCT)

INFRASTRUCTURE AND SERVICES

Key infrastructure support to enable child safety and ECD centre registration compliance (funded by SITFE)

PARENT (CAREGIVER) SUPPORT

Facilitating the EAT LOVE PLAY TALK nutrition and responsive parenting programme with ECD centre principals and practitioners

Shared Reading programme

Play at home with your children

CAPACITY BUILDING AND LEADERSHIP DEVELOPMENT

Young Child Forums: opportunities for personal and professional development in ECD

5 Step Self Care programme for ECD practitioners
