

## Action against poverty

Mandela Day | 13 - 18 July 2020

### How you can #DoMore with us this Mandela Day

For our Foundation's 3rd birthday celebration and for our contribution to Mandela Day, we are providing 1 million chicken meals across SA. However, there are ALWAYS ways that YOU too can honour the spirit of Madiba and his passion for children - even in the face of the Covid-19 pandemic. Whilst we are unable to gather volunteers for our usual community events, there are still multiple ways that you can #DoMore with us this Mandela Day! Here are the three ways we propose...

#### Feed a child and their family

Donate R67 = provide 67 meals. [Donate here](#)

#### Help a child's pre-school re-open
