Do More Foundation

### LETTER OF ENDORSEMENT DO MORE FOUNDATION

The Lima Rural Development Foundation has worked very closely with DMF from its inception and provided a large variety of community development services to associated companies since 2009. Lima assists the DMF with a wide range of support services including:

- Community level consultative planning resulting in community led project initiatives.
- Stakeholder consultation and mobilisation.
- Provision of community development facilitators and management support.
- Implementation capacity for ECD support services, infrastructure upgrades, food security, youth mobilisation and enterprise development services.

Lima was established in 1989 has a full-time staff of 140 people, with a fleet of over 80 vehicles. We have over 40 site offices throughout all nine provinces of South Africa and in Lesotho.

Lima strongly endorses the Do More Foundation efforts in fund raising and increasing it's impact on poor rural communities as well at their focus on the "Leave No Young Child Behind" programme.

Yours Sincerely
